How bad does  
the **SCANDAL**  
need to be for a  
newspaper to  
**WITHDRAW** its  
endorsement?

Rep. Clyde Shavers (D)

EVERETT, WASHINGTON

# The Everett Herald Withdrawed Their Endorsement of Clyde Shavers.

## “Shavers violated trust.”

The Everett Herald, withdrawing their endorsement of Clyde Shavers (11/1/2022)

After the truth came out about the lies Clyde Shavers told about his military service, his job, his family and upbringing, and dozens of other fabrications, The Herald withdrew its endorsement of him.

Unfortunately, by the time the truth came out about Clyde's lies, most voters had already cast their ballots and he won by 211 votes. We can fix that next election by [Saying NO to Rep. Clyde Shavers](#).

## THE LIES

### LIE #1

Lied about being a submarine officer  
(he never served on a sub)

### LIE #2

Lied about being a lawyer  
(he hadn't passed the bar)

### LIE #3

Lied about being from a farming family  
(they barely had a vegetable garden)

### LIE #4

Lied about being homeless  
(he and his family never had hard times)

## Don't let **Rep. Shavers** lie about his vote record!

He voted TWICE to immediately ban new natural gas hookups in the Puget Sound.  
HB1589 3/6/23: HB 1589 1/2/24

Industry experts predict his vote will cost homeowners \$40,000 to convert their gas appliances to electric.
