**Rep. Clyde Shavers
told us one heck of
a story about
himself to get
elected.**

NONE OF IT WAS TRUE.

1.

When he first ran for the Legislature in 2022, Clyde Shavers told us in every TV commercial and every flyer that he had served in the Navy as a nuclear submarine officer and that he was an attorney at the prestigious white-shoe law firm of Perkins Coie in Seattle. **He was neither.**

2.

Veterans denounce Shavers for “stolen valor.”

“Clyde Shavers was never a U.S. Navy Nuclear Submarine Officer as he claimed.”

Naval records confirm Clyde Shavers lied about military experience

The screenshot shows a document titled 'BIOGRAPHICAL DATA' for Clyde Shavers. It lists his service from 1961 to 1967, including his time on the USS George Eastman (SSN-593) and the USS Scorpion (SSN-581). The document also lists his education at the Naval War College and his current address in Seattle.

3.

“Shavers registered with the PDC as an Attorney for Perkins Coie LLP, however the Seattle law firm does not have record of Shavers in their employment database.”

—Lynnwood Times Nov. 1, 2022

Clyde Shavers has lied about everything he ever told us about himself.
